CENSUS OF IRELAND, 1911.

CITY (OR COUNTY BOROUGH) OF DUBLIN.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the City (or County Borough) of Dublin from the Census Returns of 1911.

SUMMARY.

Area.—The City (or County Borough) of Dublin covers an area of 7,911 statute acres, or 0·04 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the City of Dublin, according to the Census of 1901, was 290,638 ; and according to the recent Census, 304,802 (147,656 Males and 157,146 Females), or 4·87 per cent. more than in 1901.

Families and Houses (Table VIII.).—The number of distinct Families in the City at the time of the late enumeration was 62,365, the average number of persons in a family being thus 4·6. The number of Inhabited Houses was 35,477, showing an average of 8·2 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 47,292, or 75·8 per cent. of the total number of Families in the City, and of these 40 were occupiers of part of a room only ; 21,113, or 33·9 per cent of the total number of Families in the City, were occupiers of one room ; 13,087, or 21·0 per cent., occupiers of two rooms ; 6,577, or 10·5 per cent., occupiers of three rooms ; and 6,475, or 10·4 per cent., occupiers of four rooms.

The number of Tenements of One Room in the City was 21,133, comprising 3,604 cases in which the room had only one occupant ; 12,277 where the room had 2, 3, or 4 occupants ; 4,609 cases in which there were 5, 6, or 7 occupants ; and 643 cases where the occupants exceeded 7 in number, including 45 cases of 10 persons, 16 cases of 11 persons, and 5 of 12 or more persons in the room.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 9,543, or one in every 30 of the population ; of this number 6,024 were inmates of Workhouses, and 3,519 were in receipt of Outdoor Relief. In 1911 the number returned was 9,617, or one in every 32 of the population ; 5,602 of these being in the Workhouses, and 4,015 on Outdoor Relief, which figure includes 366 children Boarded-out, and 3 in Certified Schools.

The Sick (Table XII.).—In 1901 the number of persons in the City of Dublin returned as Sick, on the night of the Census, was 4,804, or one in every 60 of the population. In 1911 the number so returned was 4,292, or one in every 71 of the population ; of the latter number 256 were at their own homes, and 4,036 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act ; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the City of Dublin during the ten years ending 31st March, 1911, was 22,487, equal to an average annual rate of 7·6 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the City during the ten years was 94,882, affording an average annual rate of 31·9 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 73,590, being equal to an average annual rate of 24·7 per 1,000 ; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the City in 1911, 70·3 per cent. were born in the City or County of Dublin ; 13·0 per cent. in other Counties of the Province of Leinster ; 4·7 per cent. in Munster ; 3·2 per cent. in Ulster ; 2·0 per cent. in Connaught ; 5·5 per cent. in Great Britain ; and 1·3 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the City of Dublin in 1911 :—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics,	253,370	83·1
Protestant Episcopalians,	39,357	12·9
Presbyterians,	4,217	1·4
Methodists,	2,322	0·8
All other Denominations (and Religion unascertained),	5,359	1·8
Information Refused,	177	0·0
Total,	304,802	100·

From the above Table it will be seen that of the total population of the City in 1911, 83·1 per cent. were Roman Catholics ; 12·9 per cent. Protestant Episcopalians ; 1·4 per cent. Presbyterians ; and 0·8 per cent. Methodists. In 1901 Roman Catholics formed 81·8 per cent. ; Protestant Episcopalians, 14·3 per cent. ; Presbyterians, 1·4 per cent. ; and Methodists, 0·8 per cent. of the population of the City.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates, the age of 9 years has now been substituted for the age of 5, which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this City are :—

—	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write,	229,400	92·6
Read only,	5,228	2·1
Illiterate,	13,210	5·3
Total,	247,838	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 14·5 in 1891, and 10·1 in 1901, had fallen to 9·2 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the City of Dublin returned as being able to speak the Irish Language in 1911 was 11,870, representing 3·9 per cent. of the total population of the City.

Table XXXVI. gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population ; while Table XXXVII. shows, by Poor Law Unions, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the City of Dublin, according to the Census of 1901 (week ending 11th May), was 46,535. In 1911 the number returned (for week ending 13th May) was 46,936.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County or City of Dublin, amounted to 9,580 (5,496 Males, and 4,084 Females) ; the number for the decade ending 31st March, 1901, was 10,615 ; for that ending with March, 1891, 24,814 ; for that ending with March, 1881, 19,726 ; for that ending with March, 1871, 30,772 ; and for that ending with March, 1861, 25,755 ; making a total of 121,262 for the sixty years.

1911 . . .	35,477	1,934	186	304,802	147,656	157,146

NOTE.—The Census of 1821 is the first that affords a means of comparison with those of subsequent decades.
The Navy and Military serving in Ireland are included in the Population Tables in 1861 and later, but not in previous Censuses.
There were 3,177 Military returned as serving in the City of Dublin in 1911.
* The boundaries of the City (or County Borough) were extended by the Dublin Corporation Act, 1900.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described :—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms ; 2nd, its quality, as shown by the number of its windows ; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window ; in the third a better description of house, varying from one to four rooms and windows ; in the second, what might be considered a good farm house, having from five to nine rooms and windows ; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz. :—

First Class accommodation, consisting of 1st class houses occupied by one family.

Second Class accommodation, consisting of 2nd class houses occupied by one family, or of 1st class houses occupied by two or three families.

Third Class accommodation, comprising 3rd class houses with one family each, or second class houses with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses 3rd class houses with more than one family 2nd class houses with four or more families and 1st class houses inhabited by six or more families.

AREA, HOUSES, AND POPULATION.

Total,	17,823	12,949	30,772	Total,	14,567	10,247	24,814	Total,	5,496	4,084	9,580
								General Total,	67,764	53,498	121,262

(*a*) It is not practicable to compile a Return of Emigration for the City as distinguished from the County.
(*b*) The Enumeration of Emigrants from Irish Ports did not commence till the 1st of May, 1851.
(*c*) The nearest date to the time of the Census for which the Emigration Returns can be made up.

WILLIAM J. THOMPSON, *Registrar-General,*
EDWARD O'FARRELL,
